The screenshot displays the Fireflies.ai web application interface. At the top, there's a navigation bar with links for Product, Solutions, Integration, Resources, Enterprise, Pricing, Login, Request Demo, and Get Started. The main content area shows a meeting transcript titled 'Kickoff Call - Fireflies.ai x Acme'. The transcript is organized into sections: Overview, Notes, and a list of participants with their respective timestamps. The Notes section includes a 'Use Case & Requirements' section with bullet points and a 'Metrics & Goals' section with bullet points. The participants list includes Sarah Watts, Janice, Chris, and Sarah, each with a timestamp and a snippet of their conversation. A video player is visible on the right side of the transcript.

# Sales / Kickoff Call - Fireflies.ai x Acme

REC

Soundbite

Share

+

The kickoff call served as an introduction between Fireflies.ai and Acme Inc. They aim to use Fireflies.ai primarily to streamline internal communications, automate sales call follow-ups, and improve meeting workflows.

#### Notes

##### 🚀 Use Case & Requirements: 00:00 - 10:12

- Acme wants their sales team more present during calls
- They want to automate data entry in HubSpot CRM
- Team managers want to use Fireflies to provide call coaching

##### 🔍 Metrics & Goals: 10:15 - 20:43

- Acme is looking to buy Fireflies for 50 seats
- Timeline for implementation is 1 week

##### 📋 Requests: 20:50 - 34:52

- Acme mainly uses Zoom but wants a deeper Fireflies integration with Aircall.
- Chris would like more guidance on HubSpot setup.

#### Action Items

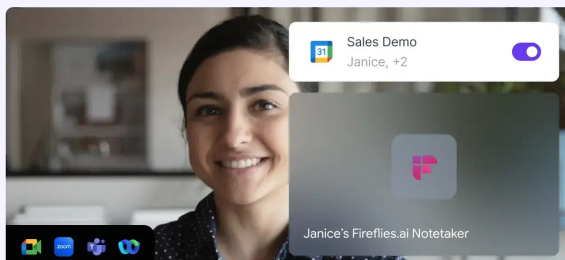

##### Chris

- Prepare technical requirements for setting up integrations. 01:47
- Provide a final list of 50 users for initial training by Thursday. 24:42
